

COATING INSPECTION GAUGES

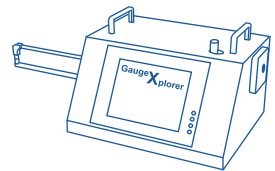

Our Beverage Can **Coating Analysers** come as a Manual Bench Top version, semi-automatic or fully automatic.

Torus' **Z340** Auto
Coating Analyser

Torus' **Z340** Semi-Auto
Coating Analyser

Torus' **Z341** Manual Bench Top
Coating Analyser

Our **modular systems** allow you to build a system to suit your needs.

DID YOU KNOW?...

You can add our Z340 Automatic Coating Analyser Module in to your existing Z313 Automatic Enamel Rater as an upgrade to create the complete coatings inspection system in one unit.
